Join us, "rejoignez-nous", from *Sunday September 12<sup>th</sup>* to *Thursday September 16<sup>th</sup>*, 2010 for the 42<sup>nd</sup> annual CMA Conference to be held at the Prestige Mountain Resort and Conference Centre in Rossland, British Columbia, Canada. Rossland and nearby Trail (10 km) are centres of key historical significance to the mining and smelting industries. A significant portion of our social program will run the weekend before the conference: Rossland's annual "Golden City Days" celebration, golf tournament, and fishing & rafting on the Columbia River. So, you are strongly encouraged to plan your arrival early on the weekend and make a holiday of your visit to the Interior, Kootenay region of BC. Visit the travel & accommodation sections of our website to help with planning your visit: [www.cma2010trail.com](http://www.cma2010trail.com).

Papers are welcome on any and all topics related to mineral testing/analysis. An abstract for your presentation should be submitted to Keith Lepla (see below). The deadline for submission of your title and abstract is July 23<sup>rd</sup>, 2010. Topics may include:

- Laboratory Health & Safety
- Laboratory Management Systems
- Quality Assurance
- Sampling Methods
- Advances in Current Analytical Methods
- Decomposition Techniques
- Laboratory Design & Construction
- Developments in Instrumental Analysis
- Environmental Analysis
- Laboratory Performance Measures
